

The image shows a sophisticated restaurant interior. In the foreground, there are round tables with white tablecloths, set with glassware and plates. A red velvet sofa with a black and white zigzag patterned pillow is positioned in the middle ground. A large, lush green fern plant in a terracotta pot stands to the right. The background features a bar area with a chandelier and warm, ambient lighting. The overall atmosphere is elegant and cozy.

About us

Located in the district of Porto, in Portugal, Trend Design Diffusion is dedicated to the manufacture of upholstered furniture, such as chairs, sofas, decorative cushions, headboards for beds and any other kind of upholstery.

We work with custom furniture and we also have our own product line - chairs and sofas designs that have earned the trust and approval of our customers. Thus, we seek to meet the demand of all our customers: be it exclusivity or practicality.

Design and production

We strive to democratize quality furniture, combining the industrial vector with meticulous craftsmanship. Thus, we offer unique and amazing pieces, even in the simplest of designs.

The manufacture of our furniture requires sensitivity, mastery in technique and high standard materials. Our collaborators are a key piece: designers and architects commit to precise and ergonomic designs that will fit perfectly in your space, while seamstresses and upholsterers perform every detail with the utmost attention and expertise.

Custom made process

We take care of all stages of the manufacture of your furniture: creation, modeling, assembly, upholstery and finishing. In this way, we ensure that each piece leaves our factory with the quality standard we crave.

Project analysis:

We determine the measurements and angles of your space and assist you in the choice of materials and finishings.

Design proposal:

Our designers offer unique solutions for each demand, combining the guidelines of your project with the expertise of our work.

Project validation:

Every decision is made in such a way that your needs are met and we work to find the best solution to your demand.

Production:

The manufacture is entirely manual: the projects come to life thanks to our artisans. All assembly is done in our factory, from the cutting of the fabric to the end of the upholstery process.

Delivery:

We pack each piece meticulously, so that orders are delivered safely. In this way, our products leave Portugal and reach the address of our customers, to all around Europe.

Chairs, bar stools and poufs

Lille

Lightweight, eclectic and extremely practical model.

A simple design, an amazing product.

A model that aims at practicality, has a stripped design that goes well with different combinations of colors and prints, and fits with harmony in any room.

Zurich

Robust, heavy and highly durable model.

Elegance never goes out of style.

This classic design represents the concepts of elegance and comfort and is the ideal model to equip a sophisticated dining room.

The hotel Le Suquet chose the model Zurich to compose its rooms and restaurant.

The chairs were customized with the chosen colours: beige and blue color all the hotel space in the mediterranean style.

Bruxelles

Robust, heavy and highly durable model.

Simple, refined and timeless.

A sturdy chair with soft lines, which finds harmony through the equilibrium. A piece that make any dining room dynamic and elegant.

York

Lightweight, eclectic and extremely practical model.

Versatility that inspires.

With smooth lines and a simple design, this model resulted into a lightweight and classical chair, that ensures a harmonic look into any room.

Amsterdam

Custom made sofas

Upholstery

All models are available for customizing fabrics and dimensions.

Choose the type of finish that best suits your upholstery. Keep in mind that the most comfortable seat is usually with plain finish. The backrest, however, can be changed as best to serve its purpose.

Plain

Simple, versatile and accurate design: the right bet for any project.

Vertical channels

It offers comfort and ensures a more defined visual appearance.

Butone

Eclectic design, simpler than the capitoné and more sophisticated than the plain.

Capitone

More sophisticated finish that values appealing design.

Feet

All models are available for customizing fabrics and dimensions.

Choose the ideal foot shape to make up your seat.

The feet can be of wood or metal. When in wood, they allow greater customization in shape and colors; when in metal, ensures the characteristic visual appearance.

Box style

It follows the shape of your sofa and eases the cleaning of the room.

Open footer

Conventional design; provides more stability and security.

Wooden feet

The most practical option; allows varied and customizable application.

Metal feet

It ensures a more modern and robust look for your sofa.

Samples

Wood

Samples to direct your choice.

The colors presented here are an estimated approximations, in matte finish. It is necessary to emphasize that the wood is irregular, organic and suffers differences from one piece to another; in addition to the painting, that is handmade.

Other colors and finishes can be applied, especially in lacquer, with values varying according to this material.

Custom made projects

Bagatelle World

With exclusive designs, the Bagatelle group creates sophisticated restaurants around the world.

Chairs and bar stools signed by Sam Baron come to life in our factory and make up the brand's spaces. Along with the personalized furniture, there are also sun loungers and sofas, aiming for the comfort of customers.

Bagatelle World

In our factory, we produced furniture for the Bagatelle restaurant on the Caribbean island of St. Barth, for the French unit in St. Tropez and also for the space in Dubai - each with its own specificities.

Marea restaurant

Sofas, chairs and decorative pillows in shades of blue and white brought the Mediterranean sea into this space.

Our Lyon and Marseille models bring the restaurant to life, but the highlight are the completely custom-made sofas. Waterproof materials allow the furniture to be used outdoors, extending its useful life on the terrace of the Canopy hotel in Cannes.

Indie Mountain restaurant

An exclusive project, with two models developed for the Indie Mountain restaurant.

The chairs were manufactured according to the project sent to our designers, who compromised themselves to choose the best materials for the best result.

Mawi restaurant

The biggest highlight of Mawi restaurant is its curved sofas, a challenge that we face with enthusiasm and pride for the result.

In addition, our Marseille chair was also part of the space, as well as a second exclusive model, made according to the design of the restaurant.

Zoa bistro

In addition to the custom-made sofas, the Zoa bistro also chose our Lille and Braga models to make up its space.

The chairs were customized with the colors of the restaurant and with a fabric of exclusive print of the brand.

Residentials

Living rooms

A complete selection of furniture for any living room.

Sofas, chairs and cushions that aim not only comfort, but also translate the identity of our clients in every room of their homes.

Dining rooms

A project that seeks originality requires custom manufacturing.

Chairs or armchairs, with foams of different thicknesses and coating on any type of fabric: find the ideal piece for your dining room.

Bars

Featured on the residential countertops, stools or bar benches can also be customized.

In addition to being practical and modern, this type of furniture becomes even more versatile when they are custom made.

Rooms

Comfort begins with the upholstery.

Optimize the space and make rooms more welcoming with beds, chairs, armchairs, and footstools - all custom made.

Your project

With Trend Design Diffusion, your project becomes true. From the color palette to the finishing, we manufacture your upholstered furniture tailored to your design.
